

Growing Great Kids

Do you live in Otoe County?

Every family who resides in Otoe County is eligible for complimentary mother/baby home visit by a RN.

After you deliver your baby,
call 877-777-0424
& schedule your FREE visit.

The nurse can address any concerns or answer any questions you may have in the familiar surroundings of your home - free of charge!

Mother/Baby home visits include:

- Well baby & mother assessment
- Information for new moms & dads and guides to community resources
- Car seat check
- Breast feeding support
- Emotional support for you and your family
- Ways to care for, feed and bathe your baby

Babies don't come with instructions
- but Growing Great Kids does!

Growing Great Kids IN SOUTHEAST NEBRASKA is a program supported by CHI's Mission and Ministry grant administered by St. Mary's Community Hospital and Partners for Otoe County and through a generous contribution of the Otoe County United Way.
